Down Memory Lane

Gee, Marion, can you imagine—we've almost completed our senior year and we'll be graduating soon! It seems like only yesterday that we were eager freshmen, looking forward to four years of high school life. I'll never forget how huge and mystifying West looked when we first entered.

Oh, I know! After we became acquainted with our classmates, we began to settle down and think that we were becoming part of the student body, when we were informed that we would be fortunate enough to have a Freshman Day. Do you remember how comical everyone looked? Even though we dreaded the day, we discovered that it was all in good fun. It's too bad that we were the last class to have a Freshman Day. The following classes would have enjoyed it as much as we did. After Freshman Day, our class presented a Freshman Talent Day, with all the talented members of our class taking part.

Oh, yes, Freshman Day was a lot of fun! After that, things seemed to quiet down until Christmas time when everyone began to think of the Christmas Semi-Formal, *Silver Bells*, sponsored by the Players. That was the first formal for many of us, and everyone who went enjoyed himself. After Christmas, the Freshman girls tried out for Junior Varsity Cheerleading, and Diane Desrochers, Roslie Janosz, Lorraine Janelle, Beverly Conway, Anne Zdon, and Linda Delisle were chosen to represent us. Rosalie was later chosen as a member of the Varsity Cheerleaders. Priscilla Jameson had been fortunate enough to be chosen during the football season to fill a vacancy in the Varsity Cheering Squad.

Wasn't that the first year that West had gone to the Basketball Tournament in a long time? It was a heart-breaking game when West played Concord and lost by only one point. Our class, however, was very proud of Ken Wade, the only Freshman to make the Varsity Basketball team. We also placed two members of our class on the Football Team. John Middleton and Dick Vaillan-

court received their Varsity letters at an assembly in the team's honor. Do you remember the many activities that took place that spring, Ginny?

Oh, yes, there were certainly many events taking place that spring. The Cheerleaders sponsored their seventh annual Fashion Show with Roslie Janosz and Priscilla Jameson taking part; the National Honor Society sponsored their annual Spelling Bee, with Diana Lacroix winning the class championship; the Players and the Musical Department presented the Musical *Miss Starlight*; and the year came to a close with the first West Week sponsored by the Student Council.

The summer vacation flew by all too quickly and soon, we were Sophomores, "Wise Fools" they say, having fun confusing the incoming Freshmen. I think the event which I remember most in our sophomore year was the Basketball Tournament at Durham when West, the team in eighth place, defeated Bradley, the team in first place, by a score of 54 to 48. That game was really thrilling! That was also the year that the first Broadway Musical, *On The Town*, was presented. Many of our classmates were in the cast which numbered close to one hundred.

Didn't Diane Desrochers sell the most tickets to the Musical? She really gave our class a boost in the ticket-selling competition. We showed the upperclassmen when our class won the competition.

Wasn't that the year that the Foreign Language Club presented their Foreign Language Entertainment at night? The skit portraying Goldilocks and the Three Bears was cute, and Elaine Mendzela was an adorable Goldilocks. That was also the first year that the F.T.A. undertook the responsibility of sponsoring the Christmas Semi-Formal. The theme that year was *Mistletoe Ball*, and everyone enjoyed the sprigs of mistletoe placed conspicuously in the auditorium. Can you remember any of the other activities, Ginny?

No, everything seems hazy, except the fact that it was

an enjoyable year.

Then our Junior year started. We didn't waste much time in choosing our class officers. They were Ken Wade, President; Dick Vaillancourt, Vice-President; Priscilla Jameson, Secretary; and Elaine Edwards, Treasurer, with Mr. Stone as our Class Adviser.

We sure had lots of activities that year, Ginny. I know we'll never forget the big production of *Silk Stockings* in which quite a few members of our class took part.

Yes, and the one big event around Christmas which I'll always remember is the semi-formal "Christmas Fantasy," held at the Gossler School. That was certainly successful.

Wasn't that the year Harry Schoepf, a member of our class, won first prize in the General Motors Fisher Body Craftsmans Guild Model Car Competition?

Yes, he won a trophy which was presented to him at an assembly in our Senior year.

That was also the year in which the following members of our class were chosen to attend Girls' and Boys' State at Durham: Sandra Bowers, Roslie Janosz, Diane Desrochers, Robert Mulroy, Philip Knoettner, Bob McMahon, Mike Smith, and Mike Theall. They had a wonderful time.

The annual cheerleaders' fashion show was a big success, as usual. Taking part in "Sugar Magic" were Priscilla Jameson, Roslie Janosz, and Diane Desrochers.

Ginny, you must remember the vigorous campaigning for Student Council offices in that year. The candidates really went all out with posters, slogans, buttons, and their speeches at an assembly. Mike Smith was elected President; Paul Barrett, Vice-President; Ann Zdon, Secretary; and Diane Desrochers, Treasurer.

Oh, yes, I remember. And that was the year ten members were admitted into the National Honor Society: Sandra Bowers, Philip Knoettner, Ken Wade, Roslie Janosz, Virginia Noyes, Cynthia Hobbs, Mike Theall, Bonnie Betley, Diane Desrochers, and Priscilla Jameson.

The members then elected their officers: President, Philip Knoettner; Vice-President, Bonnie Betley; Secretary, Roslie Janosz; and Treasurer, Cynthia Hobbs.

I remember the band concert that year, don't you, Marion? It was put on by the West High School Band with Ronnie Sandmann, Bob McMahon, Ken Wenzel,

Donald Edwards. Carl Goedecke, Les Gorrell, and Mike Smith representing our class.

Yes, it was very successful. Of course, the outstanding event of the year was our Junior Prom held at West High School on May 17. I doubt if anyone will forget that wonderful night which was a happy ending to our busy Junior year.

I guess it was a happy ending. Well, the following year started off much the same as our Junior year, except that we had a new principal, Mr. Andrew M. Boland.

Of course, now that we were Seniors, we had to elect our class officers: President, Leslie Gorrell; Vice-President, Ken Wade; Secretary, Priscilla Jameson; and Treasurer, Elaine Edwards, with Mr. Stone as our Class Adviser.

Golly, when I think about it, our Senior year was as busy, or even more so, as our first three years. It wasn't very long before the National Honor Society accepted nine new members into its order: Elaine Edwards, Marion Seavey, Jane Kuehn, Carl Goedecke, Bill Weaver, Bill Jacobson, Donald Edwards, Bob McMahon, and Mike Smith.

The annual semi-formal at Christmas, "Winter Wonderland," sponsored by the F.T.A., was held at West High School. It really was fun, right, Ginny?

It sure was. Another important event was the annual Cheerleaders' Fashion Show, this year entitled "Once Upon a Fashion." Taking part in it were Priscilla Jameson, Linda Delisle, Sandra Bowers, Diane Desrochers, Bonnie Betley, and Debbie King.

The cheerleaders gained more attention when they went to Nashua and returned home with a trophy for winning first prize in a cheerleading contest there. The senior girls who took part in the contest were Priscilla Jameson and Linda Delisle.

Because of an addition being built onto the school, it was impossible to put on as large a production as in the past few years. But "You Can't Take It With You" proved to be just as successful.

I doubt if anyone will ever forget our Senior Banquet and Reception. There could have been no better way in which to end our four years at West High.

Although these times are now in the past, the many pleasant memories will always remain with us.

Our Class Adviser

MR. KENRICK C. BEAN

And finally to Mr. Bean, who was principal during our underclass days, we extend hearty wishes for good health and happiness on his retirement from teaching and best wishes for success in his new position as Assistant Executive Secretary of the New Hampshire Education Association.

Student Council

The Student Council was created mainly to act as a student governing body and to strive for closer unity between students and faculty. The two major activities sponsored by the Student Council are the running of a Booster Drive and the sale of student activity tickets. Other activities include the sponsoring of a West Week and various social affairs.

Members of the student council are elected in every home room each year. Officers are elected in May of each year from a group of candidates from the Junior and Sophomore class.

"Take an Older Sister's Advice..."

"IT'S SMART to line up job interviews well in advance of graduation. And one of the best places I know to contact is the Telephone Company. Several of us from my graduating class are working here — and every one of us loves it."

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience. The pay is good, and you'll get regular raises.

Why not come and see our employment interviewer soon . . . *before* you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
